## Employee Spotlight

### Nancy Molina

Site Coordinator ~ Cryar Intermediate, Conroe, TX

About Me: I was shocked and very excited when Bobbie informed me that I was employee of the month! I have only been with Communities in Schools for eight months, but it is an honor to be recognized for the work that I do.

One of the most rewarding aspect of my job is that I am able to help my students in many ways. One is by attending to their physical need, such as providing food, clothing and shoes. Another joy of my job is that I have the opportunity to really listen to their concerns and give them an opportunity to work through their issues. I appreciate the fact that I can make a positive difference in their lives.

Being a mother of three, ages 16, 13, and 4, I do not have much free time, but when I do, I enjoy going to my son's baseball practices and games. I also attend band concerts and spend as much time with my family as possible. I love everything about my life and I am thankful to God for all of the blessings. I am also thankful to Communities in Schools for giving me an opportunity to play a small part in making a difference in the lives of my students.

Although this is Nancy's first year with CIS she has done a great job of building the CIS program on a new campus. She is innovative and a great pleasure to work with. Nancy thank you for all that you do.
